Dear Mr. Shepherd:

Re: Dual Obligee Rider
Surety Bond
Pandora Mine (M/037/012)
San Juan County, Utah

Seaboard Surety Company has prepared a Dual Obligee rider to be attached to replacement surety bond 180014-89. The rider formally acknowledges that the U. S. Forest Service and the Bureau of Land Management are obligees under the bond and are thereby subject to all of the terms, conditions and obligee's obligations under the bond. Please see that the rider is properly attached to the bond.

When replacement bond 180014-89 is approved and accepted, you may return bond to my attention.

Yours very truly,

Milton G. Derrick
